For 62 YEARS McGREGOR'S YEAR BOOK

Since 1872

this book has been our annual messenger to the flower lovers of this and other lands! During all this time the keywords of this great enterprise have been integrity and service. Our policy, long ago established, is to give the flower lovers of America a complete assortment of the finest stock that can be grown, together with the best possible service, and supplied at manufacturers' and growers' prices. Today, as in all these past years, the supreme aim of the McGregor organization is unquestioned satisfaction towards every customer.

It is with a natural pride, therefore, that we present to you our new Year Book, which we believe is a catalogue prepared to introduce the garden spirit at the lowest cost. It is in brief a floricultural department store at your door, offering "Something for Every Garden—Everything for Some Gardens," and the sole opportunity of plant buyers to secure many things that make for important additions or complete gardens.

Sixty-two Years of McGregor Service find their culmination in this 1935 Year Book. Extraordinary values fill its pages. Goods are of highest McGregor quality. Prices are unprecedentedly low. Every offering helps to express the watchword of the flower lovers of 1935—"A Beautiful Garden at Minimum Expense."

Cordially yours,

The McGregor Brothers Company

McGREGOR'S Monthly Blooming Cut Flower GARDEN ROSES

Illustration shows the vigor of bushes and size of flowers that may be secured the first year from large 3-year Roses. ON THIS PAGE we have grouped together 12 of the finest Garden Roses. A collection of Monthly Blooming Roses, rapidly taking the foremost rank, combining free flowering habit with rich and varied colors and hardiness. All are 3 yr. budded Roses. These roses are the best that it is possible to produce; they are field grown budded plants, planted in pots and in late spring shipped with full ball of earth. Dormant roses without soil will be shipped for early orders.

Betty Uprichard 62c

SALMON PINK (Monthly Blooming)—The best of the two-toned pink roses. Buds carmine-colored opening to salmon, tinged orange. Very fragrant. 62c ea. 3 for \$1.80.

Dame Edith Helen 62c

BRILLIANT PINK (Monthly Blooming)—A lovely clear, pink Rose, unusually sweet scented. Immense flowers. Petals curl back. Fine for cutting. Marvelous. 62c ea., 3 for \$1.80.

Edel 62c

PUREST WHITE (Monthly blooming.) Pure white flowers with faintest ivory shading at base. Vigorous grower, very free-blooming. Delightfully fragrant. Rich, glossy-green foliage. 62c each, 3 for \$1.80.

E. G. Hill 74c

SCARLET (Monthly Blooming)—Dazzling scarlet shaded deep velvety red. Will not fade as the flower develops. The largest Rose of this character yet introduced. The bud is perfect and the open flower a marvel. Produces long stems naturally. The foliage is luxuriant and of good color. 74c ea., 3 for \$2.13.

Etoile de Hollande 66c

DEEPEST RED (Monthly Blooming)—A fine red rose with no faults. Brilliant crimson-red. Sweet scented. Flowers very large. Buds are long pointed, large, and perfectly shaped. A remarkable rose. 66c ea. 3 for \$1.90.

Gorgeous 74c

ORANGE YELLOW (Monthly blooming.) Golden yellow, shaded to orange yellow at base of petals, the whole beautifully flushed with orange pink. Fine, long pointed buds. Makes an excellent cutflower rose. 74c ea., 3 for \$2.13.

SPECIAL OFFER—Three Wonderful Garden Roses, Red Radiance (blazing red) Gorgeous (orange-yellow) and Dame Edith Helen (Brilliant Pink), the trio in 3 yr. budded plants for \$1.76; any six above roses for \$3.58; all twelve for \$5.98.

Julian Potin 75c

GOLDEN YELLOW (Monthly Blooming)—Considered the most magnificent yellow rose produced so far. Flowers very large, fragrant and very double. Strong grower. Outstanding. 75c ea. 3 for \$2.17.

Mme. Butterfly 65c

APRICOT SHADED GOLD (Monthly Blooming). A harmony of bright pink, apricot and gold. Flowers, double. Buds, beautiful shade of Indian-red, yellow at base. 65c each, 3 for \$1.88.

President Herbert Hoover 75c

PINK-SCARLET-YELLOW (Monthly Blooming)—A dazzling combination of cerise pink, flame, scarlet and yellow. Delightfully fragrant. Exceptionally free flowering. 75c ea. 3 for \$2.17.

Red Radiance 63c

VIVID CRIMSON (Monthly Blooming)—A splendid shade of vivid crimson. Strong, vigorous grower; remarkable bloomer. Probably the finest of the cut-flower type, retaining its vividness long after being cut. Unexcelled as a garden Rose because of its hardiness everywhere and freedom of bloom. 63c ea., 3 for \$1.83.

Souv. de Claudius Pernet 63c

SUNFLOWER YELLOW (Monthly Blooming)—Vigorous grower, brilliant green foliage. Exquisitely shaped buds. Flowers large of striking sunflower yellow; deeper in center. Charming. 63c ea. 3 for \$1.83.

Wilhelm Kordes 77c

SALMON-COPPER (Monthly Blooming)—A new Rose with blooms of deep, golden salmon, splashed with copper and veined red. Full, double flowers. Long pointed buds. Reddish leaves. Healthy grower. 77c ea. 3 for \$2.20.

Premiums for friends' orders can only be allowed when a friend's order accompanies your own.

Hints on Cactus Culture

Cactus soil should be kept on the dry side. Sprinkle once a week; water heavily once a month in winter; twice a month in summer. Never water in damp weather. Should a rot spot appear cut out with a knife and dust with lime. Soil: Sandy loam, 3 parts, coarse sand and small amount of lime. Most varieties like dry air and plenty of sunlight, especially in winter.

California Redwood Burl. 79c

House and Garden Plants

Pedilanthus Variegatus 22c

A very pretty and most popular narrow-leaved foliage plant. Can be used very successfully as an indoor plant or for bedding and edging purposes in the summer. In winter months the light green leaves produce a pinkish border. 22c ea., 3 for 63c.

SPECIAL ATTENTION

When sending orders besides your own—from friends or neighbors—please be sure to have these separate orders written on separate sheets. This will save time in our office in copying—and help in making more prompt deliveries.

Pedilanthus Variegatus, 22c ea.

Daphne Cneorum 65c

(Garland Flower) — Beautiful, low-growing evergreen shrub, suitable for many purposes in the garden. Foliage glossy, dark green. Flowers lovely shade of rose-pink, borne profusely in May and again in September, exquisitely fragrant. 65c ea., 3 for \$1.88.

Pink Flowering Daphne

Trachelium 19c

GOERULEUM (Lacy, Statice-like flowers)—An annual, newly introduced as a cut-flower. The tiny, lavender-blue flowers grow in large, flat clusters on long straight stems. 19c ea., 3 for 39c.

Trachelium Coeruleum, 19c

Hardy Ferns for Shady Places 26c

These graceful and universally popular plants are of easy culture and afford a wide range of possibilities. A shady nook, where the soil is moist and the drainage good, will prove an ideal location, especially if a liberal amount of leaf mold or woods earth is available; and better still if rocks and stumps may unite in breaking the monotony of the ground's surface. Ferns require little attention and amply repay in genuine pleasure. Strong root clumps of mixed varieties from such varieties as Christmas fern, Maiden Hair fern, Ostrich Plume, Sensitive, Cinnamon, and Crested Sword fern, etc. 26c, 2 for 49c, 3 for 69c, 6 for \$1.28, 12 for \$2.47.

Lady Slipper or Cypripedium, 42c

Lady Slippers 42c

CYPRIPEDIUM—The finest and most showy of our outdoor hardy orchids. Thrives in a moist, peaty soil in shade or partial shade and the flowers are extremely interesting on account of their odd shape and uncommon color and markings. Flowers are rose purple in color. 42c each, 3 for \$1.21.

PREMIUMS

Remember that our Premium Offer more than offsets postage and packing charges. Please be good enough to include postage on your order, per postage table on page 47.

Fairy Lilies (Zephyranthes) 10c
